

Dear Friend of the Montello Foundation,

with tremendous excitement we can now announce the opening tonight of

This Earth

Notes and Observations by Montello Foundation Artists

**at the [Southern Utah Museum of Art](#) in Cedar City, Utah.
The exhibition will be on view October 16th to December 23rd.**

This Earth is an exhibition curated by Hikmet Loe and Stefan Hagen at Southern Utah Museum of Art under the direction of Jessica Kinsey in Cedar City, UT.

The audience experiences nature from artists’ perspectives. While we are presenting finished work of 37 artists who have been artists-in-residence at the Montello Foundation retreat., it is the processes of the artists that are the focus of the exhibition. The guiding principals of the show

Stefan Hagen, Executive Director

Montello Foundation is a foundation dedicated to support artists who foster our understanding of nature, its fragility and our need to protect it.

And thank you for all the wonderful support you give to us - it is very meaningful for us to receive so much encouragement and trust in the work we are doing.
