

On March 24, 2013, residents of Flatbush, Brooklyn came out for a rally in remembrance of Kimani Grey who was murdered at the age of 16 by the NYPD.

Justice from who,  
the police? New  
York Pussy?

As long  
they are asleep  
we don't have no  
power. Once we  
wake them up, open  
the windows and  
doors of their mind to  
see things for what  
it really is...

This is one  
of numerous  
warnings, Let's go,  
let's go, you are  
blocking traffic. You  
are in violation of  
the law.

AMENDMENT IV

The right of the people to be safe in their person, houses, papers, effects, against unreasonable search and seizure, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the person or thing to be seized.

Stop and frisk  
is not the law. Stop  
and Frisk breaks  
the law.

Stop and Frisk  
don't stop the  
crime. Stop and  
Frisk is the crime.
