

## EXPRESSIVE DRAWING AND PAINTING ONLINE

With Steven Aimone

### MATERIALS LIST

#### Recommended Work Space:

We recommend working large on paper **or** un-stretched canvas attached to a wall or other vertical surface such as a propped up board or on a large easel. Other works will be do-able on small surfaces, paper recommended.

In a pinch, the Expressive Drawing and Painting course could be taken and meaningfully experienced using nothing but pencils and white paint. However, for the full experience, the following are recommended. Materials that you have that are not mentioned below are may be used as well.

#### Supports for working large:

PAPER, roll

Recommendation: Borden & Riley Artist Sketch Vellum

This is the paper we use in in-person workshops

Comes in 10 yard rolls in various widths. The 42 inch wide will work splendidly for our purposes

and/or

CANVAS, roll

For those wishing to work on a tougher, more durable surface.

From the same store as the paper above:

Similar, accordable grade canvas available from numerous other suppliers, such as Utrecht:

#### Supports for working small:

PAPER, sheets

From the same supplier as the paper rolls above, the same paper in pads. 11x14 will work beautifully.

#### Paint

The following paints are good quality and affordable. Many manufacturers make similar grade paints. The following links are for Utrecht's Studio Series. Numbers of colors and quantities are minimum suggestions.

White, one quart:

### **Painting Tools**

Brushes of your choosing. If you don't have brushes and are on a budget, one- and two-inch china bristle brushes from a hardware store will work just fine.

Otherwise, you might consider the following (three links):
