DAVID
& CO.

M.David & Co. is pleased to announce *All Tomorrow's Parties*, our inaugural group exhibition at Art Cake.

Starting in June 2024, M.David & Co. will begin its programming with a series of exhibitions at various times of the year at Art Cake in Sunset Park Brooklyn, with its vibrant and growing artist community. Art Cake, with its larger footprint and multiple spaces, will allow the gallery to continue its tradition of championing the intergenerational bond between emerging and established artists, while providing greater opportunities to serve so many of you deserving of a broader audience.

We are excited to welcome back many of the artists from Life on Mars/M.David & Co. who were featured in solo, two-person, and group exhibitions, and we are thrilled to be showing artists that we have always wanted to exhibit, including those currently in Art Cake's terrific Artist Residency Program.
