Impressions: 35 Years of Women in Print at USF Graphicstudio

USF Graphicstudio
3702 Spectrum Blvd. Suite 100, Tampa, FL 33612

USF's world-renowned print atelier proudly presents a temporary exhibition in its main gallery celebrating the rich legacy of women artists who have collaborated with Graphicstudio over the decades. Showcasing the work of ten influential artists from the studio's history —Diana Al-Hadid, Trisha Brown, Elisabeth Condon, Lesley Dill, Nancy Graves, Iva Gueorguieva, Graciela Iturbide, Mernet Larsen, Andrea Modica, and Janaina Tschäpe—the exhibition highlights the remarkable diversity and innovation these women bring to the field of contemporary art.

Spanning a wide range of artistic practices, the featured works explore the boundaries of printmaking through experimental techniques that merge photography, sculpture, and mixed media assemblage. Together, they reflect the dynamic and evolving role of women in the printmaking tradition and the enduring creative impact of Graphicstudio's collaborative model.

Hours: Monday–Friday 10am–5pm. Closed Saturday, Sunday, and all USF Holidays.

Admission: Free and open to all.

For more information call (813) 974-3503, or email gsoffice@usf.edu.
