10th annual exhibition of work by emerging and mid-career artists chosen by director Elizabeth K. Garvey through the gallery's innovative Review Program. The exhibition will be on view on Artsy.net and at the Garvey|Simon viewing space on the Upper West Side (by appointment) from October 1 - December 31, 2025.

Garvey|Simon established the SELECT Program in 2016 to open a democratic dialogue between Artist and Gallery, a practice that is anathema to art world orthodoxy. Garvey|Simon believes that artists need to have a working platform to engage with dealers who otherwise might not see their work. Garvey|Simon has cultivated successful partnerships with numerous artists since the inception of this annual event, several have gone on to have solo and group shows with the gallery.
