

NEW YORK

AGENDA

To Do: October 8–22 Our biweekly guide on what to see, hear, watch, and read.

By *The Editors*

Art

18. See JoAnne Carson

From the garden.

DC Moore Gallery, 535 West 22nd Street; through October 11.

Carson depicts nature as seen through a Charles Burchfield-like lens crossed with astral seeing and X-ray vision and peyote flashbacks. We see a tree and its aura, its psychedelic leaves with saw teeth, the light radiant. In these burning bushes, we begin to glimpse forever. —*Jerry Saltz*
